From the Comptroller

No. S.L 5'76 dated: 19.8.24

States that four 7% S.L bonds of the value of Rs 8000/- have been received in his office for re-enfacement from the Bank of Mysore in which letters of Administration have been granted by the High Court, Calcutta and requests orders as to whether they may be accepted.

In the new Securities Regulation there is provision for recognising the probates, letters of administration etc granted by foreign courts. The draft bill relating to the amending and Customs Duties Regulation has appeared in the Gazette of yesterday. It will be some time before it comes into force as it has yet to go through the Reading and the Committee stages. But till then it does not appear to be desirable to depart from the rulings laid down orders already passed in G.O. No. Jl 5686 R & 17-23-57. dated 15.12.24. Whether the present case has to be treated as an exception to the general ruling at (V) is for orders.

In addition provision is made for requiring production of Court Certificate in cases of renewal of notes vide clause 127 of the Bill

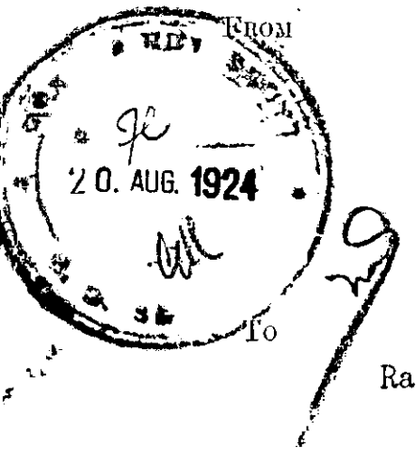
OFFICE OF THE COMPTROLLER TO THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Dated, Bangalore, the 19th. August 1924



FROM

T. SATYARAJ CHETTY ESQ., B. A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore.

To

Rajakaryaprasaktha
M.N.Krishna Rao, Esq., B.A.,
Financial Secretary to the Govt. of Mysore,
Bangalore.

SIR,

In inviting kind reference to your letter No.F1.5684/G.F.17-23-57 dated 15th April 1924 intimating that probates granted by courts outside Mysore cannot be accepted as a general rule, I have the honor to state that four 7% state loan bonds of the value of Rs8,000/- have been received for re-enfacement through the Bank of Mysore Ltd. All these bonds have, at one stage been negotiated by one McNair as the Administrator to the estate of Charles Mathews deceased. Letters of Administration have been granted by the High ~~Commissioner of~~ Court Calcutta.

As the state loan bonds are very freely circulating throughout India, purchasers negotiate them on the strength of British Court certificates just as in the case of Government of India Bonds. It is really a hardship if the last holder of the bonds who purchases them bona-fide should be put to the inconvenience of going through the legal formalities in a Mysore Court of Law.

In this particular case the Calcutta High Court has granted the required Letters of Administration and I solicit orders of Government as

to

to whether I may accept the endorsements and renew the promissory notes in question.

I have the honor to be,
Sir,
Your most obedient servant,

J. Saltzman
Comptroller.
